SUMMARY

A highly motivated and enthusiastic Full Stack Web Developer with experience in sales, psychology, and research. Especially proficient at working in teams and facilitating group success through exceptional patience and problem-solving skills. Often considered by peers as hard-working, honest, open to new experiences, and

TECHNICAL SKILLS

Languages: Javascript, HTML5, CSS.
Applications: Git, MongoDB, MySQL, JQuery, Handlebars, Bootstrap, Bulma, MERN Stack.

PROJECTS

Progressive Budget App
Repository: https://github.com/celineross/My-Budget
Deployed: https://offline-budget-tracking.herokuapp.com/
- Allows a user to store transactions and build a budget and store the data online or offline using MongoDB and IndexedDB.
- Personally responsible for all code in this project.
- Uses mainly Javascript and a trivial amount of HTML and CSS, in addition to Express, Node, Mongoose, and Compression.

Fitness Tracker
Repository: https://github.com/celineross/Fitness-Tracker
Deployed: https://fitness-tracker-cross.herokuapp.com/
- Allows a user to track all their workout information, either by creating a new workout or continuing a previously logged workout.
- Personally responsible for all code in this project.
- Uses mainly Javascript, some HTML and CSS, along with MongoDB, Mongoose Express, and Node.

AudioFiler
Repository: https://github.com/celineross/AudioFiler
Deployed: https://blooming-wildwood-71202.herokuapp.com/
- Allows a user to create an account, then search for and keep track of their collection of music albums and their genres, release years, conditions, media types, etc.
- Head on Handlebars and page rendering, assisted with styling of pages.
- Uses Javascript, Handlebars, and CSS. Utilizes Passport, JawsDB, Axios, MySQL, and the AudioDB API.

Night In
Repository: https://github.com/celineross/Night-In
Deployed: https://cascutter.github.io/Project-1-Night-In/
- Allows for a user to find recipes, cocktails, and movies all in one site to cure their lockdown boredom.
- Head on the Javascript and HTML for the recipe section of the site, also assisted with styling.
- Uses mainly Javascript and HTML, and a small amount of CSS. Also utilizes JQuery and Bulma.

EXPERIENCE

Print & Marketing Associate   2019– 2020
Staples   San Antonio, TX
Mainly assisted customers with print jobs, custom printing, large-format printing and mounting, and completed high volume print jobs such as booklets, brochures, and other promotional materials. Position also reinforced the importance of client relations, teamwork, and communication; and how to maintain long, productive working relationships with coworkers and established clients.
Key Accomplishments:
- Awarded an approximate 12% raise after 4 months of employment due to "above and beyond" work ethic.
- Consistent praise from supervisor and managers for successfully fostering new long-term relationships with clients while also maintaining existing client relationships.
